WMRSD Welcomes Nicole Knowlton, LES Art Teacher White Mountains Regional School District

Whitefield, NH: Please join the White Mountain Regional School District in welcoming Nicole Knowlton. Nicole has been teaching art for the past four years within the elementary schools of the White Mountains, and is now excited to begin her first year teaching full time, K-8 art, at Lancaster Elementary School. Nicole has her B.A. in Art Education from Elmira College, and is also a 2011 high school graduate of the area from Profile High School. Over the past year Nicole has had 5 art exhibitions displaying her work within the state of New Hampshire. In addition to her passion for art, Nicole has experience as a paraprofessional, as well as a Title 1 teacher, and therefore understands how each person's role within the school community is crucial to success. When she is not creating she can be found enjoying her family, playing basketball or exploring mountain tops.
